JULY, 1922

TOTAL NO. 61

Alabama Technical Institute and College for Women Bulletin

CATALOG 1921-22

Published Quarterly by
Alabama Technical Institute and College for Women
Montevallo, Alabama.

Entered as Second Class Mail Matter.

CATALOG

of the

Alabama Technical Institute and College for Women

for the

TWENTY-SIXTH ANNUAL SESSION

1921-1922

and

Announcements

for

1922-1923

Montevallo, Alabama.

CALENDAR

1922-1923

1922

September 2—Noon lunch served in dormitory.

September 4—First faculty meeting 9.00 A. M.

September 5—Entrance examinations.

October 27—Semi-annual meeting of the Board of Trustees

November 24, 25, 27—Examinations for first quarter.

November 28—Second quarter begins.

December 22—Dormitory closed 5.00 P. M.

December 22 to January 2—Christmas vacation.

1923

January 1—Dormitory opens, dinner served.

January 2—Recitations resumed 7.55 A. M.

February 27—Third quarter begins.

February 23, 24, 26—Second quarter examinations.

February 27—Third quarter begins.

May 11—Annual meeting of the Board of Trustees.

May 9, 10, 11—Final examinations for graduating class.

May 11 to 14—Commencement exercises.

May 17, 18, 19—Final examinations for under-graduates.

SUMMER SCHOOL.

June 5 to July 18—First term.

July 18 to August 29—Second term.

BOARD OF TRUSTEES.

His Excellency, Thomas Erby Kilby, Governor of Alabama,
President, *Ex-Officio*

John W. Abercrombie
State Superintendent of Education, *Ex-Officio*

Student Assistants in Library

GENERAL STATEMENT

HISTORY

The Alabama Technical Institute and College for Women, formerly known as the Alabama Girls Industrial School, was created by a bill introduced into the State Senate in 1892 by the Hon. Sol. D. Bloch, of Camden. The bill became a law in February, 1893, with the provision that the act should go into effect after January 1, 1895. On January 1, 1896, the school was located at Montevallo, Shelby County, and on October 12, of that year, began its first session. The act changing the name to the Alabama Girls Technical Institute was approved by the Governor February 20, 1911, and the School Code of October, 1919, approved September 26, 1919, changed the name to Alabama Technical Institute and College for Women.

"The college is established for the purpose of giving therein instruction in the liberal arts and sciences and in technical subjects suitable for women, and to this end the following academic and technical departments are established: 1. English, literature, expression; 2. Mathematics and astronomy; 3. History and political economy; 4. Education, psychology, sociology; 5. Ancient languages; 6. Modern languages; 7. Chemistry, physics, geology; 8. Biology, bacteriology, zoology; 9. Physiology, sanitation; 10. Agriculture, dairying, floriculture, horticulture; 11. Art, painting, manual training; 12. Home Economics; 13. Vocal and Instrumental music; 14. Commercial branches—stenography, bookkeeping, typewriting, telegraphy. Other departments or subjects may be established from time to time by the trustees upon the recommendation of the president and faculty, that women may have the opportunity for general education and for special preparation for home making, extension service, teaching, and becoming self-supporting in trades and industries and in the business world."—Alabama School Code, October, 1919.

LOCATION

Montevallo is a picturesque village near the geographical center of the State. The unusually beautiful scenery of the surrounding country and the quiet, reposeful atmosphere of the place are, educationally speaking, valuable assets of the

college. The campus of ninety-five acres is well situated in the highest part of the town.

BUILDINGS AND EQUIPMENT

The buildings comprise Academic Building, Bloch Hall, Calkins Hall, Library, Dormitory, Peterson Hall, Nabors Hall, Laundry, Power House, Dairy.

The Academic Building was erected in 1851 when the Montevallo Male Institute was incorporated as a joint stock company. The lot was donated by Edmund King. In front of this building the men from Montevallo and the vicinity were mustered into service at the time of the Civil War. Here the regiment received the flag that the women of Montevallo made and presented to them. After the war the Cumberland Presbyterians were unable to carry on this school, which they had bought, hence they turned their college over to one of their ministers. Reverend W. H. Meredith conducted here a high grade school for women for twenty years. When the Alabama Technical Institute was founded, this building became its home, and a frame building in the shape of three sides of a square was added about 1900. This building was torn down when the new music hall was built in 1918. The Academic Building contains the auditorium, gymnasium, part of the academic class rooms, the supply store, and college post office.

The Dormitory is a large brick building, consisting of three wings connected by cross halls. It contains the administrative offices, parlors, reception halls, and rooms for 450 boarding students. It is lighted by electricity and heated by steam. Besides the fourteen exits and usual fire escapes, cylindrical "Kirker-Bender" fire escapes are placed at the rear of the east and west wings.

The Library will be completed and ready for use before the opening of the fall term. It is a two-story building, trimmed with stone. The reading room, the main feature of the building, is 90 by 40 feet, well lighted and ventilated. The stacks, children's room, work room, and office are conveniently placed with relation to the delivery room which occupies the center of the building. The conference rooms are on the second floor. The Library now contains 7500 volumes and many pamphlets and periodicals, classified by the Dewey decimal system. About \$1,000.00 is spent on the Library each year.

Bloch Hall was completed, equipped and used for the first time during the session of 1915-16. It is named in honor of

Mr. Sol. D. Bloch, of Camden, Alabama, who was the author of the bill establishing the college, and who served continuously as a member of the board of trustees from its organization to October 23, 1919.

Calkins Hall was completed in 1917. It is of fire-proof construction with the director's room, music class rooms, studios, practice rooms, and the beautiful recital hall. This building is devoted entirely to the teaching of music. It is of most unusual charm and permanence, from the carved stone entrance to the lovely concert room upstairs. It is named in Memory of Charles Rendell Calkins, director of music 1913-1920.

Peterson Hall, the infirmary, named in honor of Dr. Francis Marion Peterson, who served the college wisely and faithfully for seven years as its second president, is situated about fifty yards from the dormitory in a quiet place. It has accommodations for thirty-six patients.

Nabors Hall, an historic building on the campus, erected in 1818, is temporarily used as a practice home for the department of home economics.

Water Supply.—The college has an adequate water supply for drinking and sanitary purposes and for fire protection.

This water is secured from two springs and is stored in two tanks of thirty and of one hundred twenty thousand gallons capacity respectively. From these tanks the water is distributed throughout the buildings.

Fire Protection.—At convenient and accessible points within the buildings are located chemical fire extinguishers, in addition to an ample supply of fire hose. Outside the buildings nine fire plugs supply thirteen openings to which fire hose can be attached. Two fire hose carts, each containing five hundred feet of hose, are conveniently housed, so that in a very brief period of time several streams of water can be concentrated at any point in the event of such a necessity. Two fire drills are held each month.

The biology and bacteriology departments occupy three large rooms in Bloch Hall. The laboratories are equipped with twenty-two very expensive compound microscopes, dissecting lenses, a large supply of mounted slides, three sterilizers, incubator, autoclave, hot air oven, and plant and animal specimens, together with much small equipment necessary to give a thorough course in both biology and bacteriology.

The chemistry and physics laboratories are located in the basement of Bloch Hall. The physics laboratory contains

lockers and desks for the students' use and also equipment sufficient to carry on experiments to accompany the text books.

The chemistry laboratories occupy two rooms each containing forty-eight lockers and desks. Adequate equipment for experiments in general inorganic chemistry is supplied to each locker. Equipment suitable for simple experiments in organic chemistry may also be found here. A generous supply of chemicals is kept on hand at all times for use in the work of this department.

The Department of Home Economics is located in Bloch Hall. There are two foods laboratories and one laboratory equipped for dietetics and nutrition work. In connection with these laboratories there is a small dining room used for instruction and practice in serving meals. The building has ample lecture room facilities. There are also three well equipped and well lighted sewing laboratories. The art and design work is done in the room occupied by the art department. A six-room house is used as a practice house in which the students live in groups for a quarter under the direction of one of the instructors in the department. The practice home serves as a laboratory in connection with the home management course offered in the teacher training course in Home Economics.

Physical training and sports include the gymnasium, with its large exercise room, dressing room, and lecture room; and outdoor swimming pool, with dressing rooms and shower baths, six tennis courts, one indoor and two outdoor basketball courts; a volleyball court; and a field for baseball and other games.

Supply Store.—The supply store, on the ground floor of the academic building, is for the convenience of the students. It furnishes, at about cost, anything needed in their school work. In connection with the supply store is the college post office, where mail is given out twice daily.

Plan of Instruction

The college offers various courses each of which is planned with reference to the particular occupations for which the students are preparing. All departments co-operate to strengthen and complete these courses. With the technical subjects essential to the courses, are associated certain related and general academic subjects designed to secure well balanced training.

Departments offering courses are: 1. Art; 2. Commercial; 3. Education; 4. Home Economics; 5. Music; 6. Physical Education.

ART.

The department of Art offers general and teacher training courses leading to a certificate to teach art in the public schools of Alabama. Lectures in art appreciation are given in the chapel and illustrated by slides. Other equipment in the department includes a kiln for work in pottery, some Medici prints for the study of the history of art, and many hand looms of excellent design. The exhibits of the past year included a collection of representative American pottery, Japanese prints and textiles and a large number of Medici prints. Each year lectures are given by distinguished authorities on art, such as Frank Alva Parsons and Lorado Taft. At the end of the year a public exhibit is held composed entirely of work done by the students.

COMMERCIAL.

Commercial education is today well established in practically all educational institutions, and the importance of this branch of education is being recognized as never before. The object of the courses is to train young women to take their places in the industrial and economic work that needs the trained mind and the skilled hand.

Shorthand is given to prepare the student to take dictation at high speed and to transcribe the notes on the typewriter. When this skill has been attained, the advanced students are given a course in office management and secretarial duties. In typewriting, after the keyboard is learned and a speed of sixty words a minute is made, practical work which embraces the duties that devolve upon a private secretary, such as filing, remittances, enclosures, etc., is given.

The work of bookkeeping covers two distinct parts. First, elementary bookkeeping; second, advanced bookkeeping. The students are first given the elementary principles and their application to business management. In order to complete the advanced bookkeeping they are required to take up and continue any practical set of books in the form they have been kept, whether in mercantile, manufacturing, or commission, and whether it is the business of an individual, a firm or corporation; to make quickly, accurately and in good form bills, statements of accounts and other commercial papers; also to furnish at short notice a statement of the condition of the business. Despite the common use of adding machines, there is still much work in bookkeeping done mentally. Those who need to increase their ability in this are given a course in rapid calculation.

The study of commercial law is required of all commercial students.

EDUCATION.

Certificates.—In accordance with the state system of certification of teachers, the college offers courses to meet the requirements of a Class A Elementary and a Class A Secondary Certificate, and special teachers' certificates in Art, Home Economics, Music and Physical Education.

Training School.—An agreement between the town of Montevallo and the college provides for the use of the local school as a Training School. There are two divisions in the school—the elementary comprising the first six grades, and the high school, comprising the seventh through the eleventh. The director in charge of the school is a member of the faculty of the college.

Community Life.—To acquaint students with community problems and to direct them in the solution of these problems a course in community life is offered. This course carries a requirement of field work. For 1921-22 the field work consisted in organization and direction of games and athletics in rural schools; publicity work of National Child Labor Committee; the Red Cross and Alabama Children's Aid Society; a church and school survey of Montevallo; and participation in the actual management and teaching of the Sunday School in an adjacent community.

Community Cooperation.—Through this course, provision is made for students to share in community activities, working with organizations in the community and the county schools, church organizations, children's clubs, etc. This will place the resources of the college at the command of the community and will also give credit to the students for the time spent in the work. All this work will be done under the supervision of the members of the college faculty in co-operation with the residents of the community who are directing the specific activities.

Departments specifically interested in this work are: Education, Physical Education, Home Economics, Music, and Sociology.

Home Economics.—Training in Home Economics leads to a variety of professions. Among these are: (1) Home-maker, (2) teacher, (3) teacher of special work as vocational home economics, (4) dietitian, (5) institutional manager, (6) visiting housekeeper, (7) demonstrator for commercial concerns, (8) director of educational advertising departments.

The curricula as outlined, with proper electives, make possible training for any one of these professional phases of Home Economics.

Students expecting to take either of the Home Economics courses are urged to take chemistry and physics in high school.

To receive the B. S. degree in Home Economics the student must complete 192 quarter hours of credit. To receive the specific certificate to teach, either Vocational Home Economics or general Home Economics, the student must have taken as part of this 192 quarter hours work, 27 quarter hours of Education.

Elective courses in foods and clothing are open to students enrolled in other departments.

MUSIC

The course of music study at the Alabama Technical Institute and College, although differing in many points from that of other colleges, seems to meet in a practical way the needs of the average music student. The student's training is directed toward, first, giving a knowledge of the laws that govern the art; second, developing proficiency in the application of these laws to actual performance; third, stimulating the love of the art; fourth, giving an understanding of its place in modern life.

For such complex training it is evident that the private "music lesson" is insufficient because of its limited time and concentration on detail. If the education is to be on a broad basis, therefore, classes must be formed to cover these four phases.

To teach the laws there are classes in theory and harmony, to develop proficiency in performance, classes in technic and actual sight reading; to stimulate the appreciation of beauty, courses in ear training, explanations of music and many recitals and concerts; and to give a bird's eye view of music as an art, a series of lectures showing its growth, adherence to art principles, its styles, forms, tendencies, its masters, and its place in the social structure of the day.

With such a plan the student is given an understanding of the art of music as well as the art of piano, organ, violin playing, or singing which will enable her to continue her music studies independently, should she so choose, and all students are given the training and viewpoint which will enable them to become leaders in the musical life of the communities in which they will reside.

A general course and a teacher training course are offered. Upon completion of the four-year teacher training course, students are recommended for a certificate to teach music in the high schools of Alabama.

PHYSICAL EDUCATION

The department of physical education has three aims. The first is to benefit the individual student by promoting health by correcting tendencies to abnormal development, and favoring symmetrical growth by developing physical control by forming correct habits of breathing and posture, and by contributing to the social and recreational life. The second purpose is to prepare prospective grade and high school teachers to teach physical education and health; and the third aim is to prepare special teachers of physical education and playground work.

Before coming to Montevallo, each student should have a general examination by her family physician, and should file a health statement with her application. Defects of vision and hearing, and diseases of the nose, throat and teeth should have attention. In this way, much serious interruption of studies may be avoided, and the student allowed to begin her college work without unnecessary physical handicaps.

After entering, each student is given a physical examination which forms the basis for special advice and prescription of exercise when these are necessary. This examination is repeated at intervals throughout the course.

All gymnasium classes and outdoor sports are carefully supervised. No student is allowed to belong to a basketball team, or any other organized body of play, without the approval of the resident physician. All sports are controlled by the Athletic Association in conjunction with the department of Physical Education. Each student, upon the payment of the students' activities fee, is a member of the Athletic Association.

STUDENT ACTIVITIES

Y. W. C. A.

The Young Women's Christian Association, through its social life, Bible and mission study, religious meetings, and Association relationships, seeks to promote right living in the school community and to train students for Christian work. The work of the Association begins with welcoming new students and by being hostess at many and varied social functions. The Association creates a spirit of friendliness and fellowship throughout the entire student body.

The Association is a part of the South Central Field and is affiliated with the National Board of Y. W. C. A. of America. It is visited by field secretaries, and delegates are sent to the National Convention of Y. W. C. A. and to the Southern General Conference at Blue Ridge, N. C. Through the association relationships, the students are brought in touch with the larger students' movements in the south, the nation and the world.

"Morning Watch"—a short prayer service, is held each morning after breakfast and vesper services on Wednesday and Sunday evenings. These meetings give students an opportunity for worship, instruct them about Christian service that is being done all over the world, and train them for leadership. One Wednesday vesper each month is devoted to denominational group meetings where each student may study the organization and problems of her own church.

Some of the interesting features of the Y. W. C. A. are: maintaining the tea-room, the Employment Bureau, and the Big Sister Organization. The Employment Bureau endeavors to secure employment for students desiring to make pin-money. The Big Sister organization enlists all of the former students in welcoming the new girls. As the students enroll they are assigned a "Big Sister" who takes a personal interest in helping her to make the right adjustment to college life.

The officers for 1922-23 are: Lillou Burns, president; Ivie Pearl Ray, vice-president; Minnie Holman, secretary; Berta Martin, treasurer; Annie Carmichael, under-graduate representative.

STUDENT GOVERNMENT ASSOCIATION

Each student upon matriculation automatically becomes a member of the Student Government Association. The management of this Association is vested in an Executive Board,

The executive board is composed of seventeen members, the officers of which are officers also of the Association, eleven of whom are active, the other six being honorary members. These honorary members are the presidents of each of the five classes and the president of the Y. W. C. A. The active membership is elected as follows from the various classes: Four representatives from the junior class, three from the sophomore class, two from the freshman class, and one each from the two high school classes.

The president of this Executive Board comes from the junior class representatives, the vice-president from the sophomore representatives and the secretary from the freshman representatives. These officers are elected by the members of the association. The treasurer is elected by the members of the Board from their number.

The duties of the Board are three-fold: executive, judicial and legislative. All matters of discipline coming within the limits of the authority of the association are considered by the Board.

The ideal of the association, and the goal toward which it is constantly striving is complete self-government for each student in the college.

The officers for 1922-23 are: Edith Montgomery, president; Louise Willingham, vice-president; Elinor Beasley, secretary; Lulu Hawkins, treasurer.

THE ATHLETIC ASSOCIATION

The Athletic Association seeks to interest every student in some phase of outdoor recreation, giving her an opportunity to contribute her part to the school life through basketball, tennis, volleyball, captain ball, hiking, and swimming.

Through its executive board, the Athletic Association arranges inter-collegiate games and the girls participate enthusiastically in the Thanksgiving games between rival classes, in the tennis tournaments, the swimming contest and the field-day exercises. The Association offers each year a silver loving cup to the class making the highest record in athletics, and gives prizes to the winners in tennis and swimming contests.

The board provides for supervision of tennis practice, of swimming, and for the upkeep of the courts and swimming pool. It also sends a representative to the annual summer conference at Blue Ridge.

The "M" Club, a branch of the Athletic Association, is open to the members of the "varsity" team, to the winners of the tennis and swimming contests, and to the girls who break college records in field events.

THE DRAMATIC CLUB

The college dramatic club was organized in the fall of 1921 with the teachers of Expression and Oral English as the directors. Members are elected by judges who decide upon the ability shown in public try-outs each quarter. At least one public performance is given at the college during each quarter and sometimes this is repeated in towns near by and cities in the state.

The officers are: Nena McDuffie, secretary-chairman; Willie Pridgen, Business Manager; Ivie Pearl Ray, stage-manager. Teachers of expression and oral English are the directors of the club.

TECHNALA

The Technala is published annually by the students of the college. It is an expression of the various activities of the school. Officers for 1921-22: Charlotte Leeper, editor-in-chief; Elsie Mahaffey, assistant editor; Addie Scarbrough, business manager; Edith Montgomery, advertising manager.

DEPARTMENT ORGANIZATIONS

The Home Economics Club was organized November 6, 1920, by the graduating class in Vocational Home Economics. It was established for the purpose of furthering the interest of all students in the work of this department. During the first year the club members made an interesting and helpful study of the current events relative to Home Economics work in this country. For the year 1921-22 membership was extended to the sophomore, junior and senior Home Economics students. The program for the year was a study of forms of entertainment in the home.

The membership in the Glee Club is open to all students. During the session 1921-22 there was a membership of fifty. The Glee Club holds weekly practices under the direction of the voice teacher and gives several successful evening programs during the session.

The College Orchestra has been a very popular organization, and is always in demand to furnish music for various programs, plays and the different class and college activities. The members are largely violin students, but several musicians from Montevallo who play other instruments are also members, and are a great help to us.

We are indebted to the late Charles R. Calkins, the director of music in the college for several years, who organized the orchestra and inspired high ideals in all kinds of music throughout the community.

The violin teacher has been the director for the year 1921-1922.

Art.—The Notan Club was organized February, 1922. The purpose of this organization is to further interest in art work, to assist practice teachers in different phases of art that they will need in their profession, to learn more of the conditions and needs of art in the state and to promote closer fellowship among the students of this department.

CREDIT FOR STUDENT ACTIVITIES

The value of student activities as a part of college life is recognized in the recent adoption by the student body of a credit system in activities. A minimum number of points in activities is required of each student each year. The wide range of activities offers any student opportunities in some work in which she is interested, and it is believed that the incentive of credit will bring into the work students who otherwise neglect the advantages thus given for self-expression and development.

Alumnae Association

In May, 1902, the Alumnae Association was organized. The objects of the Association are to foster the ties formed during school days, and to establish a fund to aid the students of the college. At present the Association is bending its energies towards having erected on the college campus a practice home to be used in connection with the home economics department.

Every graduate is requested to notify the college by the first day of May each year of any change in her name, address or occupation. It is earnestly requested that every graduate become an active member by paying the annual dues of \$1.00.

Officers for 1922-23: President, Mrs. E. B. Henry, 2131 South 16th Street, Birmingham; first vice-president, Mrs. John M. Ward, Verbena; second vice-president, Mrs. Dave F. Rucks, 1205 12th Street, North, Birmingham; Secretary, Miss Lulu Palmer, Montevallo; Treasurer, Miss Nina Lyman, Montevallo; Historian, Mrs. A. R. Morrow, Aliceville; Publicity Committee, Mrs. C. N. Parnell, Maplesville, chairman; Miss Mary Ellen Ross, American Trust Bldg., Birmingham; Miss Bessie McCary, Montevallo; Miss Elma Griffith, Lincoln; Miss Irene Savage, 1520 Jefferson County Bank Bldg., Birmingham; Finance Committee: Miss Rebecca Krentzman,

Internal Revenue Department, Birmingham; Miss Margaret McArdle, Brown-Marx Building, Birmingham; Mrs. D. F. Rucks, 1205 12th Street, North, Birmingham.

Scholarships

1. *Alumnae Scholarship*—The Alumnae Association maintains a loan scholarship whose beneficiary is elected by the Association at the annual meeting in May.

2. *Birmingham News Scholarships* — The Birmingham News offers a scholarship to an Alabama girl to be used in the Alabama Technical Institute and College for Women under the following conditions: An applicant for this scholarship must be a graduate of a standard high school, must submit a detailed statement of her high school record and must submit letters of recommendation from her high school principal, the county superintendent of education and at least two other prominent citizens of the county (one of whom shall not be a teacher), as to scholarship, deportment, character, general fitness for college work, as well as inability to attend college without such help as is offered by the scholarship. The scholarship will cover actual expenses not in excess of \$500.00. It was awarded in 1921 to be held by the successful applicant until graduation, if her record proves satisfactory.

3. A second Birmingham News scholarship is offered to an Alabama girl to be used in the Alabama Technical Institute and College for Women under the following conditions: Applicant must be a graduate of a standard high school who has not attended college before. Application must be made to the Scholarship Department of the Birmingham News and not directly or indirectly to the college or its president. No outside pressure or influence must be brought to bear upon the college authorities. Certain papers are required to be filed with each application, and all papers must be filed together in one package addressed to the Scholarship Editor of the Birmingham News. These papers shall consist of a statement of high school record, a recommendation from the high school principal, another from the city or county superintendent of education, and at least two other letters from prominent citizens of the county, at least one of whom shall not be a teacher. These letters of recommendation must testify as to scholarship, deportment, character, general fitness for college work, and must clearly show that the applicant will not be able to enter college next fall without outside help, such as is afforded by these Birmingham News Scholarships. In addition each applicant must furnish a certificate that her general

health is good and that she should be able to attend college without impairment of health. Prepare your papers, as indicated above, to show clearly that you have a creditable high school record, that you are fitted mentally and physically to receive college training, that your character is good, and that you would be unable to attend college unless you receive outside help, put them together and file them with the Scholarship Editor of the Birmingham News before July 15, 1922.

4. Castalian Scholarship—One loan scholarship is maintained by the Castalian Club and is awarded to any of its respective members.

5. Expression Scholarship — The Expression Department has set aside sixty dollars to be used as a loan scholarship by a student in the study of expression. Any college student is eligible for this scholarship.

Federation of Women's Clubs Scholarships—

- | | |
|--|----------------|
| 6. Conra McConaughy Scholarship | \$200 annually |
| 7. Kate Morrisette Scholarship | 200 annually |
| 8. Mrs. John Phillips Scholarship | 200 annually |
| 9. Elizabeth Haley Moore Scholarship | 200 annually |

(Preference is given to applicants for this scholarship from the Second Federation District, composed of the counties of Blount, Fayette, Jefferson, Lamar, Marion, Walker and Winston. It will not be available for 1922-23.)

10. Kate Hagan Scholarship for Music—\$100.00 annually. This scholarship was awarded in 1921 to be held by the successful applicant until graduation if her record proves satisfactory.

11. Mary Hill Randle Scholarship—A loan scholarship of \$180.00 offered by the Andalusia Study Club through the Alabama Federation of Women's Clubs to the Alabama Technical Institute and College for Women. Applications for this scholarship are to be made in the same manner as for all other Federation scholarships.

To obtain one of these Federation Scholarships a girl must meet these requirements:

1. Resident of Alabama.
2. Unable to complete her education without financial assistance.
3. Able to enter a class in which she may be graduated in two years.
4. Applicant must secure the endorsement of the college and the endorsement of the Federation Loan Scholarship committee.
5. Applicant must sign a note to pay back, within a stipulated time, whatever amount has been lent her.

12. Margaret Isbell Hardie Scholarship—Under the terms of the will of Mrs. Margaret Isbell Hardie (Mrs. Joseph Hardie) \$1,000.00 has been given to this college to establish a scholarship. This fund is to be invested and the interest only to be used for the education of girls. Sixty dollars will be available for the session 1922-23. Application should be made to the president of the Alabama Technical Institute and College for Women, Montevallo, Alabama.

13. Philomathic Scholarship — One loan scholarship is maintained by the Philomathic Club and is rewarded to any of its respective members.

14. Tutwiler Scholarships — Two loan scholarships are maintained by the Julia Strudwick Tutwiler Club and are awarded any of their respective members.

Applicants for Federation Scholarships should be sent to Mrs. John R. Hornady, 920 South 20th Street, Birmingham, Alabama.

UNITED DAUGHTERS OF THE CONFEDERACY

15. Virginia Clay Clopton Scholarships.

16. Sallie Jones Scholarship — The Alabama Division of the United Daughters of the Confederacy has raised a fund of \$2,500.00 for the establishment of two scholarships at the Alabama Technical Institute and College for Women, known as the "Virginia Clay Clopton" Scholarship and the "Sallie Jones" Scholarship, and only the proceeds, \$200.00 annually, or \$100.00 for each scholarship, can be used.

17. Lizzie Crenshaw Memorial Scholarship — Mrs. J. H. Crenshaw, president of the Alabama United Daughters of the Confederacy, has presented to the college the sum of \$1,250.00 for the establishment of the "Lizie Crenshaw Memorial Scholarship." The interest on this sum, \$100.00 per annum, is to be awarded to some worthy girl on the same conditions as the other U. D. C. scholarships.

18. Stonewall Chapter Scholarship — The Stonewall Chapter of the United Daughters of the Confederacy, Chicago, Illinois, has established a scholarship of \$50.00 annually. The recipient of this scholarship must be a lineal descendant of a Confederate soldier and a girl who absolutely needs assistance in order to obtain an education. Applications must be made to the president of the Alabama Technical Institute and College for women, Montevallo, Alabama.

To be eligible for a State U. D. C. scholarship a girl must be:

1. A resident of Alabama.
2. A descendant of a worthy Confederate soldier.
3. Unable to complete her education without financial assistance.

4. Prepared to enter a college class.
5. Must take one of the technical courses.
6. Must secure the endorsement of the Alabama Division U. D. C. Scholarship Committee. All applications must be sent to Mrs. L. M. Bashinsky, Troy, Alabama.

19. Charles Rendell Calkins Memorial Scholarship — The graduating class of 1922 hereby gives, as a token of their appreciation and love of Charles Rendell Calkins, a scholarship to be known as the Charles Rendell Calkins Memorial Scholarship. This scholarship is to be entrusted to the stewardship of the president of the Alabama Technical Institute and College for Women, and is to be awarded, at his discretion, as follows:

1. To a member of the graduating class as a loan without interest.
2. With the understanding that it is to be returned in equal installments of seventy-five dollars within two years after the graduation of the beneficiary.
3. This scholarship is one hundred and fifty dollars.
4. This scholarship shall be awarded not later than September preceding the year in which the beneficiary graduates.
5. The graduating class of 1922 further recommends that this scholarship be used as the basis for the beginning of an alumnae scholarship fund to be increased from year to year until it shall reach such proportions that the interest may be used for gift scholarships rather than loans.

APPEAL FOR OTHER SCHOLARSHIPS.

The Alabama Technical Institute and College for Women is maintained by the state for the higher education of its young women, both in cultural and practical lines, to prepare them for the duties of life and for useful employment whereby they may become self-supporting. The expenses are kept as low as possible, consistent with wholesome living, and sane economy during this period of universal high prices.

The institution does not deny its privileges to any worthy young woman, but there are many deserving young women who cannot attend for the lack of funds. The college invites the attention of the public spirited citizens to this condition and asks the consideration of an award of two hundred fifty dollars toward the education of a student for the scholastic year, the contributions thus made to be expended according to the judgment of the president.

EMPLOYMENT OF PUPILS.

Employment is offered to about thirty-five pupils in dormitory and dining room service. For this work fair and reasonable compensation is paid. The pupils so employed can use the money thus earned in paying a part of their college expenses. As a matter of fact, all who are so employed pay a large part of their college dues in this way.

GENERAL INFORMATION.

On May first of each year the books of the matron are opened for reservation of rooms in the dormitory for the following session. No room is reserved until the advance fee, \$2.50, is paid, which is credited on the student's account. If after paying the fee the applicant finds that she cannot attend, it will be refunded provided the president is notified before August 15, otherwise it will not be refunded.

In reserving room space, it is distinctly understood that the pupil must be present at the opening of the session to claim the reserved space, or a satisfactory reason for being late must be sent in advance by wire or in writing to the president; Otherwise, the reserved space is forfeited and the fee will not be refunded.

An applicant can reserve space only for herself. A separate application and advance fee must be made for roommates.

When a student has enrolled, a room will be assigned her with one or two roommates. The right to change at any time, either room or roommates, is reserved by the college authorities.

All letters to students should be addressed to room number, Alabama Technical Institute and College for Women, Montevallo, Alabama.

No cooking is allowed in the dormitory.

Special effort should be made by students to reach Montevallo on the opening day, so that they may be classified and begin recitations with their respective classes.

Students are advised to enroll in the president's office before the close of the first day, and save payment of the late registration fee, \$2.00.

BOARDING ARRANGEMENTS

About 450 boarders can be accommodated in the dormitory. Assignment of rooms is made according to the date of application.

Only single or three-quarter beds are used. No double beds are allowed.

Each student is expected to keep her room in order.

The evening study period is for two and one-half hours, 7:00 to 9:30.

Each student should bring with her:

1 Teaspoon	4 Sheets	6 Table Napkins
1 Bedspread	1 Comfort	2 Clothes Bags
1 Glass	1 Pair Blankets	1 Rain Coat
1 Pillow	1 Umbrella	1 Pair Overshoes
2 Pillow Cases	6 Towels	

Health—To care for the health of the students the college maintains a modern, well-equipped hospital—Peterson Hall—with a capacity of forty beds. A full-time woman physician and a trained nurse live in the hospital and board in the dormitory dining room.

Daily office hours are held for consultation. As soon as college opens the physician, in co-operation with the department of Physical Education makes an examination of every student.

All absence from academic exercises which is due to illness must be excused by the college physician. All illness, no matter how slight, must be reported at once to the college physician. Any student who has been exposed to a communicable disease must report at once to the college physician.

The meals in the dormitory dining room are planned and the preparation and service supervised by a trained food supervisor.

Quarter System—The session of 1922-23 inaugurates the quarter system, which succeeds the year plan. In this new division of the academic session, the year consists of four quarters of approximately twelve weeks each, designated as autumn, winter, spring and summer. A student may enter at the beginning of any quarter, and resident study during any three quarters is the equivalent of one year, or two semesters under the previous schedule. This plan makes it possible for a student who is physically strong enough to stay in school with short vacation to complete the college course in a shorter time than is usually required. Ninety-six quarter hours constitute the two-year course, and one hundred ninety-two quarter hours constitute the four-year course. By attending the summer quarter a student can thus shorten the length of time required to complete the college course.

Unit of Credit.—The unit of credit is the quarter hour, which bears the same relation to the quarter that the semester hour or year hour does to the semester or year; that is, a course pursued in four hours of recitation each week for a

quarter gives the student four hours credit. As a rule two hours of *laboratory* work count as one hour of recitation or lecture. The usual schedule of work for a college student is sixteen hours each quarter, exclusive of physical education. Thus one hundred ninety-two hours, exclusive of physical education, are required for graduation.

Classification—To rank as a member of the freshman class a student must have presented fifteen units high school credit. If she only has thirteen or fourteen units, she will be ranked as a conditioned freshman.

To rank as a member of the sophomore class, a student must have forty quarter hours college credit in addition to the fifteen high school units required for admission to the freshman class.

To rank as a member of the junior class, a student must have ninety quarter hours college credit in addition to the fifteen high school units required for admission to the freshman class.

To rank as a member of the senior class, a student must have one hundred forty quarter hours college credit in addition to the fifteen high school units required for admission to the freshman class.

Graduation—One hundred ninety-two quarter hours of college credit and twelve hours of physical education are required for graduation from the four-year college courses. Each student must so arrange her electives that she will have at least twenty-seven quarter hours and not more than thirty-six quarter hours credit in one department, and at least eighteen quarter hours, and not more than twenty-seven quarter hours in another department. The subjects required in the respective courses, other than the special course subjects, as Home Economics, Music, etc., may count towards these requirements.

Ninety-six quarter hours are required for the completion of the two-year course.

Courses of study are so arranged that those numbers from ten to nineteen count as freshman credit, those from twenty to twenty-nine as sophomore credit, those from thirty to thirty-nine as junior credit, and those from forty to forty-nine as senior credit.

Any student in the junior or senior class who elects a subject numbered below thirty will receive only two-thirds credit,

i. e., mathematics 11 (trigonometry) carries five quarter hours credit for a member of the freshman class; if elected by a member of the junior or senior class, it will carry three and one third quarter hours credit.

Degrees—Upon completion of any of the four-year courses a degree of Bachelor of Science will be conferred.

Diplomas and Certificates—A diploma is granted upon the completion of the two-year course. The completion of this course entitles a student to recommendation for a Class A Elementary Certificate.

A three-year college diploma may be granted upon the completion of any of the three-year college courses. Upon the completion of this course a student is entitled to a recommendation for either a Class A Elementary, or a Class B Secondary certificate.

After 1924 the three-year college diploma will not be granted.

Beginning in September, 1922, the college announces straight two-year and four-year courses.

The completion of the Teacher Training Course will entitle the student to recommendation to the State Department of Education for a general or special teacher's certificate.

Credit Hours Maximum and Minimum—The regular prescribed hours for all students is 16, but by special permission from the instruction committee, a student may register for twenty hours per week.

The Summer Session, now an integral part of the college, is about twelve weeks in length, and is divided into two terms, for either or both of which a student may enter. Some special courses are added to the regular ones, and a special bulletin is published which gives detailed information concerning the summer quarter of the A. T. I. & C. W.

EXPENSES

	Session	Term
Room, board, laundry	\$216.00	\$72.00

GENERAL FEES

Matriculation fee	\$ 7.50	\$ 2.50
Physician and Nurse, Hospital and Medicine fee	12.00	4.00
Lecture fee	4.50	1.50
Library fee	4.50	1.50
Student Activities fee	7.50	2.50

LABORATORY FEES

Art	\$6.00	\$ 2.00
-----------	--------	---------

Bacteriology	6.00	2.00
Biology	6.00	2.00
Chemistry	6.00	2.00
Food courses	5.00	2.00
Physics	6.00	2.00
Clothing courses	3.00	1.00
Use of Typewriter	6.00	2.00

MUSIC AND EXPRESSION FEES

Piano, Violin or Voice—two private lessons per week, five class lessons and practice.....	\$99.00	33.00
Piano, Violin or Voice—one private lesson per week, five class lessons and practice.....	75.00	25.00
One extra class lesson per week	9.00	3.00
Non-credit minor course:		
One private lesson per week and practice.....	36.00	12.00
Expression (special course)	60.00	20.00

OUT OF STATE STUDENTS

Pupils from other states than Alabama will be charged a tuition fee of \$24.00, payable \$8.00 per term with the regular payments.

LOCAL STUDENTS

Local students, or those not boarding in the dormitory, do not pay the college for room, board, and laundry or for medical and medicine fee, but must pay other fees on the first day of each term.

This applies to all girls in college or in third and fourth years of high school. Charges for other students in high school or grammar grades of training school may be obtained from special announcement for training school.

PAYMENTS DUE

All charges are payable in advance in three installments, on the first day of each term, as follows:

September 5—Room, board, laundry, general fees.....	\$84.00
November 28—Room, board, laundry, general fees—	84.00
February 27—Room, board, laundry, general fees.....	84.00

In addition to these amounts for all boarding students, the music, expression and special laboratory fees must be paid on the same date by students taking these subjects.

These rates are for students who live in Alabama and who attend the entire session. No period of less than three weeks at entrance will be considered in a reduction of the charge for room, board and laundry. Students who enter more than three weeks after the beginning of a term will be charged all

of the fees for that term and for room, board, laundry at the rate of one dollar per day from the date of entrance to the date of the next regular payment. The payment must always be made on entrance.

ESTIMATED EXPENSE FOR QUARTER

The foregoing is an account of the expense for the entire session and for each term. Below we give an estimate of the amount of money a student boarding in the dormitory should be provided with on entering the school. This amount, of course, will vary according to the class which a student enters, and to the course she takes. A student taking music is required to buy her own music and a metronome. Since the cost of books used in different classes, and courses varies, the estimate given below should be taken not too literally.

General fees (the same for all)	\$12.00
Room, board, laundry (same for all)	72.00
Books, etc. (may be more or less)	15.00

A prospective student, therefore, when she leaves home should be provided with \$99.00 in addition to her traveling expenses, in order that she may enter school, procure books, etc., and begin recitations without delay. Should the student take music, expression, or any of the other subjects, for which a special laboratory fee is charged, she should be prepared to pay those fees. All students from states other than Alabama should be provided with \$8.00 in addition to the amount mentioned above.

REFUND

A student who withdraws before the end of a term will receive a rebate on room, board, and laundry, determined in the following manner:

She will be charged one dollar per day from the beginning of the term to the date her resignation is in the hands of the President, and this amount will be deducted from the payment for board for the whole term. The amount remaining will be refunded to her. No refund is allowed for a leave of absence.

In no case will any part of tuition or any other fee before mentioned be refunded.

ADMISSION

METHODS OF ADMISSION

1. By certificate from affiliated schools: The certificate must include a copy of the student's record, both in studies and deportment, signed by the Principal of the school. This record should be given on the college blanks which will be furnished on application, and must be submitted to the college before the opening of the quarter. If this certificate is not presented before the date set for the entrance examinations, the student will be required to take the entrance examinations.

2. By examination: An applicant without a certificate from an approved high school must pass entrance examinations for the class she wishes to enter. Entrance examinations will begin September 5, 1922.

3. Special students: Applicants eighteen years of age or over, who desire to pursue special courses, may be admitted without formal examinations, but must give evidence of adequate preparation to the Admission Committee and to the head of each department in which the courses are sought.

If a special student desires to room in the dormitory she must carry at least fourteen hours of work, six or more of which must be in academic subjects. She must conform to all regulations as other students. In no case does a special course lead to a diploma or degree.

4. Advanced standing: A student may be admitted to advance standing

1. By presenting credits from an approved institution of collegiate rank.
2. By examination on each subject for which credit is desired.

REQUIREMENTS FOR ADMISSION BY CERTIFICATE.

An applicant for admission to the freshman class must present fifteen units of high school work so chosen as to include the seven prescribed units.

SUBJECTS ACCEPTED FOR ADMISSION.

(A unit represents 4 or 5 class periods of 40 to 60 minutes each for 32 to 40 weeks.)

Subjects	Description	Units
<i>English</i>	Advanced grammar, composition, literature	1
	Composition, rhetoric, literature.....	1
	Composition, rhetoric, literature, history of English literature	1
	Composition, rhetoric, literature, history of American literature	1
<i>Mathematics</i>	High school algebra to quadratics	1
	High school algebra, quadratics, progressions, binomial theorem, etc.....	$\frac{1}{2}$
	Plane geometry	1
	Solid geometry	$\frac{1}{2}$
<i>History</i>	Ancient Greek and Roman	1
	Medieval and modern	1
	English	1
	United States and Civil Government	1
<i>Latin</i>	Grammar, composition, translation	1
	Caesar, 3 books of the Gallic War, grammar, composition	1
	Cicero, 5 orations, grammar, composition...	1
	Virgil, 5 books of the Aeneid, grammar, composition	1
<i>French, or German, or Spanish</i>	Elementary—grammar, composition, translation	1
	Intermediate — grammar, composition, translation	1
<i>Science</i>	Botany	$\frac{1}{2}$ to 1
	Chemistry — Laboratory experiments and notebook	$\frac{1}{2}$ to 1
	Physical Geography	$\frac{1}{2}$ to 1
	Physics — laboratory experiments and Physiology	$\frac{1}{2}$
	notebook	$\frac{1}{2}$ to 1
	Zoology	$\frac{1}{2}$
<i>Music</i>	3rd year High School Piano	1
	4th year High School Piano	1
<i>Agriculture</i>	Course from accredited agricultural school	1
<i>Home Economics</i>	Foods	$\frac{1}{2}$ to 3
	Clothing	$\frac{1}{2}$ to 3

<i>Art</i>	Freehand drawing	1/2
	Manual arts	1/2

PREScribed SUBJECTS.

Of the fifteen units of high school work required, the following are prescribed:

English	3 units
Mathematics	2 units
History	1 unit
Science	1 unit

The remaining units may be selected from the other subjects that are accepted for admission. Students taking the Home Economics course may be admitted with one unit in Mathematics.

COURSES OF STUDY.

1. Art—Teacher Training.
2. Commercial—Bookkeeping—Stenography.
3. General Teacher Training
 - Four year.
 - Two year.
4. Home Economics
 - General Home Economics.
 - Vocational Teacher Training.

TWO-YEAR COURSE

5. Music
 - General.
 - Special.
 - Teacher Training Course.
6. Physical Education—Teacher Training.

TEACHER TRAINING COURSE IN ART.

Students not desiring a certificate to teach Art may substitute Mathematics, Science, French, or Spanish for Education.

Department Announcements

AGRICULTURE, BIOLOGY AND GEOGRAPHY.

Mr. Sharp

Miss Barber

Miss Cheek

Agriculture 15. Plant Culture. Designed to teach the general principles of plant culture, especially gardening and floriculture. Two lectures and the 2-hour laboratory periods per week. Students who desire may take this course either one or two quarters. Credit 4 quarter hours. Spring.

Agriculture 16. Orcharding. Designed for students interested in fruit growing. Three lectures and one 2-hour laboratory period per week for one quarter. Credit four hours. Winter.

Agriculture 21. Dairying. In this course the principal topics offered are: types of dairy cattle; housing, feeding, and milking; the care of milk; how to make good butter, etc. Three lectures and one 2-hour laboratory period per week for one quarter. Credit 4 hours. Autumn.

Agriculture 22. Poultry. Special attention will be given in this course to the care and management of chickens, running incubator, etc. Three lectures and one 2-hour laboratory period per week for one quarter. Credit four hours. Winter.

Biology 12. A. B. C. General course. Two lectures and two 2-hour laboratory periods per week for three quarters. A student may elect either one, two, or three quarters. Credit 4 hours each quarter. Autumn, winter and spring.

Biology 13. Civic Biology. Two lectures and two 2-hour laboratory periods per week for one quarter. Credit 4 hours. Autumn.

Biology 14. Physiology. Four lectures per week for one quarter. Credit 4 hours. Spring.

Biology 21. Bacteriology. One lecture and three 2-hour laboratory periods per week for one quarter. Credit 4 hours. Autumn, winter, and spring.

Geography 11. Designed to prepare students for teaching this subject in the elementary school. Special emphasis will

be laid on the organization of materials and presentation of the subject matter. Three lectures and one 2-hour laboratory period per week for one quarter. Credit 4 hours. Spring.

Biology 33 A, B. Physiology. Required of students taking teacher training course in physical education. Four hours, two quarters. Credit 4 hours each quarter. Winter and spring.

Biology 36. Descriptive Anatomy. Required of students taking teacher training course in physical education. Credit 4 hours. Autumn.

ART.

Miss MacMillan.

Miss Thrall.

Art 11. Principles of design and their application. Four 2-hour laboratory periods for one quarter. Open to all students. Credit 4 hours. Spring.

Art 13 A. Freehand drawing, painting, perspective, design. 13 A, 13 B, 13 C are open as electives to any student. Three 2-hour laboratory periods. Credit 3 quarter hours. Autumn.

Art 13 B. A continuation of Art 13 A. Three 2-hour laboratory periods. Credit 3 quarter hours. Winter.

Art 13 C. A continuation of Art 13 B. Four 2-hour laboratory periods. Credit 4 quarter hours. Spring.

Art 15 A, B, C. Art Appreciation. Required with Art 13 A, 13 B, and 13 C. Two lecture periods for 3 quarters. Open to any student. Credit 3 quarter hours. Autumn, winter, spring.

Art 16. For education students. Four 2-hour laboratory periods for one quarter. Credit 4 quarter hours. Winter.

Art 23 A. Painting, applied design, composition. Prerequisite: Art 13 A, B, C. Four 2-hour laboratory periods for one quarter. Credit 4 quarter hours. Autumn.

Art 23 B. A continuation of Art 23 A. Credit 4 quarter hours. Four 2-hour laboratory periods. Winter.

Art 23 C. A continuation of Art 23 B. Four 2-hour laboratory periods. Credit 4 quarter hours. Spring.

Art 26 A. For education students. Four 2-hour laboratory periods for one quarter. Credit 4 quarter hours. Autumn.

Art 33 B, C. Composition and applied design. Four 2-hour laboratory periods each for two quarters. Autumn, winter.

Art 36 C. For education students. Four 2-hour laboratory periods for one quarter. Spring.

Art 43 A, B. Methods. Relation of art to other subjects in curriculum, to the home and community. Preparation of

native materials for the art-crafts, exhibits. Four 2-hour laboratory periods for two quarters. Credit 4 quarter hours each quarter. Autumn, winter.

BIBLE AND RELIGIOUS EDUCATION.

Dr. Palmer

Mr. Carmichael

Bible 11 A. B. Harmony of the Gospels. Credit 2 hours each quarter.

Bible 21 A. B. Course to be announced later. Credit 2 hours each quarter.

Bible 31 A. B. Survey of the Books of the Bible. Credit 2 hours each quarter.

Sunday School 32. The place of the Sunday School in community life. Field work required. Credit 2 hours.

CHEMISTRY AND PHYSICS.

Mr. Kennerly

Miss Ford.

Chemistry 11. A. B. C. General Chemistry. A course in General Inorganic Chemistry consisting of three lectures and one laboratory period per week. This course is designed for those students who have never studied chemistry before and includes simple experiments which will develop the students' accuracy and enable them to become familiar with the handling of chemical apparatus. Credit each quarter 4 hours. Autumn, winter, and spring.

Chemistry 12 A. B. C. A course in General Inorganic Chemistry designed for those students who have had high school chemistry and are able to do first year college work. Three lectures and one 2-hour laboratory period per week. Credit 4 hours each quarter. Autumn, winter and spring.

Chemistry 14. A brief course in organic and food chemistry to be given for one quarter. Required of all students taking any one of the regular Home Economics courses. Prerequisite: Chemistry 11 A and B, or 12 A and B. Credit 4 quarter hours. Spring.

Chemistry 25. A brief course in Physiological Chemistry and a continuation of food chemistry. Required of all students taking any one of three regular courses in Home Economics. Prerequisite: Chemistry 21 A. Credit 4 quarter hours. Autumn.

Chemistry 24 A. Qualitative Analysis. A second year course in Chemistry for those students who desire to continue their work in this subject. The group metals are studied along with the methods of analysis of these. Two lectures and two

2-hour laboratory periods per week for first quarter. Credit 4 quarter hours. Autumn.

Chemistry 24 B. A continuance of the study of Qualitative Analysis as outlined in Chemistry 24 A. Particular attention is given to the analysis of unknown solutions, alloys, etc. Two lectures and two 2-hour laboratory periods per week. Prerequisite: Chemistry 24 A. Credit 4 quarter hours. Winter.

Chemistry 34. Quantitative Analysis. A course in quantitative analysis consisting of simple experiments which will give the student an idea as to the methods used in quantitative determinations. Open only to those students who have completed Chemistry 24. Two lectures and two 2-hour laboratory periods per week. Credit 4 quarter hours. Autumn.

Physics 22. Household Physics. Required of all students taking any one of the Home Economics courses. Credit 4 quarter hours. Winter.

COMMERCIAL.

Miss Peters.

Two one-year courses, one in shorthand and typewriting and one in bookkeeping and typewriting, are open to all college students.

Stenography 11 A. B. C. After the principles of Graham's Standard Phonography are learned, and a speed of one hundred words a minute is attained, the students are given a short course in office management and secretarial duties. Credit 4 quarter hours. Autumn, winter, spring.

Typewriting 11 A. B. C. Typewriting is taught by the Touch System. After the letters and characters on keyboard are learned, letters copied and envelopes addressed, and a speed of sixty words per minute made from unfamiliar matter, practical work, which embraces the duties that devolve upon a private secretary, such as filing, remittances, enclosures, etc., is given. Credit 4 quarter hours. Autumn, winter, spring.

Bookkeeping 11 A. B. C. An elementary course in bookkeeping is first given. The students are then required to keep books for commission, grocery, dry goods, and manufacturing firms, with all vouchers and papers prepared for them. A course in Rapid Calculation is given in connection with Bookkeeping 11. 8 hours, 3 quarters. Credit 4 quarter hours. Autumn, winter, spring.

Typewriting 11 A. B. C. After the keyboard is learned, by the touch method, sentence practices, letters copied and envelopes addressed, the students are taught to make out bills, re-

ceipts, checks, notes, drafts and other business papers on the typewriter. Credit 2 quarter hours. Autumn, winter spring.

Commercial Law 11 A. B. C. The instruction and subject matter of this course will cover the essentials in the following topics: 1. Contracts. 2. Agency. 3. Partnership. 4. Negotiable Paper. 5. Sales of Property. 6. Bailments. 7. Corporations. 8. Fire and Life Insurance. Credit 1 quarter hour Autumn, winter, spring.

EDUCATION.

Miss Brooke

Miss Baker

Miss Paschal

Mr. Martin

Education 11. A study of the physical features of the school; the school yard, building, lighting, school and community. Required in two-year course. Credit 4 quarter hours. Autumn.

Education 12. Elementary Psychology. Required in two-year course. Credit 4 quarter hours. Winter.

Education 13. Special methods of the elementary grades. Required in two-year course. Credit 4 quarter hours Spring.

Education 21. Special methods and observations; use of standard tests in elementary grades. Required in two-year course. Credit 4 quarter hours. Autumn.

Education 22. Educational Sociology. Required in two-year course. Credit 4 quarter hours. Spring.

Education 24. See Geography 11. Credit 4 quarter hours. Winter.

Education 26. Practice Teaching. Required in two-year course. Credit 6 quarter hours. Autumn, winter or spring.

Education 27. Literature, dramatics, story telling; in the grades. Credit 4 quarter hours. Winter.

Education 31. Problems of High School, etc. Required of all students who expect to teach in high schools. Credit 4 quarter hours. Autumn.

Education 32. Educational Sociology. Required of all students in the four-year teacher training courses. Credit 4 quarter hours. Spring.

Education 35. Special methods and observations in high school. Required of all students in the four-year teacher training courses who expect to teach in high school.

Education 43. Vocational Education. Required of Vocational Home Economics students. Credit 4 quarter hours. Spring.

Education 45. Present day educational problems. Elective of all seniors in the teacher training courses.

Education 46. Practice Teaching. Required of all students in the general teacher training courses. Credit 6 quarter hours.

ENGLISH.

Miss Dilla

Miss Griswold

Miss Peterson

Miss Monk

English 11 A. Elementary written and oral composition: the introductory rhetoric required of all freshmen. Credit 4 hours. Every quarter.

English 11 B. Advanced written and oral composition; the second rhetoric course required of all freshmen. Prerequisite: 11 A. Credit 4 hours. Winter, spring and summer.

English 14 A. Elementary class oral English; group work in elementals for beginners. Open to all students. Elective. Credit 2 quarter hours. Autumn and winter.

English 14 B. A continuation of oral English 14 A. Credit 2 quarter hours. Winter and spring.

English 15 A. Play production; class work upon farces and one-act plays. Open only to students taking either Oral English 14 or 24. Credit 1 quarter hour. Winter.

English 15 B. A continuation of English 15 A. Open only to students taking either Oral English 14 or 24. Credit 1 quarter hour. Spring.

English 21. English literature from Chaucer to the Romantic Revival. Prerequisite: 11 A. The first literature course required of sophomores. Credit 4 quarter hours. Autumn, spring and summer.

English 22. English literature from the Romantic Revival to the present; the second literature course required of sophomores. Prerequisite: 11 A. Credit 4 quarter hours. Winter and spring.

English 23. Advanced English for Home Economics students; written and oral composition and current literature. Prerequisites: 11 A, 11 B, 21 and 22. Credit 2 quarter hours. Winter.

English 24 A. Advanced class expression; group work in advanced fundamentals. Prerequisite: Oral English 14. Credit 2 quarter hours. Autumn.

English 24 B. A continuation of English 24 A. Credit 2 quarter hours. Winter.

English 25. Shakespeare. The study of twelve representative plays of Shakespeare and the reading of six other plays for the comparison of technique and the historical survey of the English drama. Prerequisites: 11, 21. Credit 4 quarter hours. Spring and summer.

English 31. English literature from 1832 to 1870; a study of the greatest poets and essayists of the Victorian Age. Prerequisites: 11 A, 11 B, 21, 22. Credit 4 hours. Winter.

English 33. American literature of the eighteenth and nineteenth centuries. Prerequisites: 11 A and 11 B. Credit 4 quarter hours. Autumn.

English 36. English for teaching in secondary schools; a review of composition; the history of American and English literature, with stress on the college entrance requirements; for those students who expect to teach English in junior and senior high schools. Prerequisites: 11, 12, 21, 22, and the recommendation of the English Department. (Given alternate years, not offered in 1922-23.) Credit 4 quarter hours.

English 41. English prose fiction; a study of the English novel from Austen to Wells. Prerequisites: 11 A, 11 B, 21, 22, and five more hours in the English Department. Credit 5 quarter hours. Winter, summer.

English 42. Modern drama. The reading of fifty modern plays by English, Continental, and American writers. Prerequisites: 11 A, 11 B, 21, 22 and five more hours in the English Department. Credit 5 quarter hours. Autumn, spring.

EXPRESSION.

Miss Ritchie.

Expression 17 A. Private expression: individual instruction in elemental praxis and platform art. Students who elect this are required to take also elementary class expression. A special fee is charged for this course. Two half-hour lessons a week. Credit 1 quarter hour. Autumn, winter and spring.

Expression 17 B. A continuation of Expression 17 A. Special fee. Credit 1 quarter hour. Winter and spring.

Expression 17 C. A continuation of Expression 11 B. Special fee. Credit 1 quarter hour. Spring.

Expression 27 A. Second year private expression; a continuation of Expression 17. Special fee. Credit 1 quarter hour. Autumn, winter and spring.

Expression 27 B. A continuation of Expression 27 A. Special fee. Credit 1 quarter hour. Spring.

Expression 37 A. Third year private expression: A continuation of Expression 27. Credit 1 quarter hour. Autumn, winter and spring.

Expression 37 B. A continuation of Expression 37 A. Special fee. Credit 1 quarter hour. Winter and spring.

Expression 37 C. A continuation of *Expression 37 B.* Special fee. Credit 1 quarter hour. Spring.

HISTORY AND ECONOMICS.

Mr. Wills

Miss Evans

History 11 A, B. History of Western Europe. Prerequisite: Ancient History. Four hours weekly for two quarters. Autumn and winter.

History 21 A, B. American Government and Politics. Prerequisite: General European or American History. Four hours weekly for two quarters. Autumn and spring.

History 22. Industrial History of the United States. For Vocational Home Economics students. Four hours weekly for one quarter. Credit 4 quarter hours. (Not given during session 1922-23.)

History 23 A, B, C. Current History. One hour weekly for three quarters. Credit 1 hour each quarter.

History 31 A, B. American Political and Economic History. Prerequisite: 11 or 21. Four hours weekly for two quarters. Credit 4 hours each quarter. Autumn and Winter.

History 32 A, B. English History. Prerequisite: Ancient History. Four hours weekly for two quarters. Credit 4 hours each quarter. (Not given during session 1922-23.)

History 41. Elementary Economics. For Vocational Home Economics students. Four hours weekly for one quarter. Credit 4 quarter hours. Spring.

HOME ECONOMICS

Margaret C. Jones

Bess Stillwagon

Madge Johnson

Elsie Richardson

Lois Beem

Annie Kemp

Simple white wash dresses and cover-all aprons will be worn as laboratory uniforms in all food classes. For aprons the Ladies' Home Journal pattern No. 2577, or a similar design is suggested.

Home Economics 11. Production, manufacture, composition, nutritive value and cost of foods. Skill in cookery, planning, preparing and serving simple meals. Credit 4 quarter hours. Autumn.

Home Economics 12. Selection, purchasing of materials, appreciation of attractive designs. Care, repair of clothing, laundering personal garments. Making of undergarments and simple wash dress. Credit 4 quarter hours. Winter.

Home Economics 13. Selecting, preparing and serving simple dishes. Elective any college year for students not taking home economics courses. Credit 2 quarter hours. Autumn.

Home Economics 14. Selection of materials, making of undergarments. Elective any college year for students not taking Home Economics courses. Credit 2 quarter hours. Autumn.

Home Economics 15. Planning, preparing and serving simple meals. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 13 or the equivalent. Credit 2 quarter hours. Winter.

Home Economics 16. Care, repair and purchase of clothing including hats, shoes, hosiery and accessories. Making of a simple wash dress and middy blouse. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 14 or the equivalent. Credit 2 quarter hours. Winter.

Home Economics 17. Planning, preparation and serving of family breakfast, luncheons, dinners and suppers. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 15 or 11. Credit 2 quarter hours. Spring.

Home Economics 18. Color and design in relation to clothes. Making an organdie dress and silk afternoon dress. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 16 or 12. Credit 2 quarter hours. Spring.

Home Economics 21. Production, composition, nutritive value and cost of food. Planning, preparation, serving of meals. Prerequisite: Home Economics 11 or its equivalent. Credit 4 quarter hours. Winter.

Home Economics 22. Planning and construction of children's garments, tailoring a cotton garment, middy blouse or dress. Prerequisite: Home Economics 12 or its equivalent. Credit 4 quarter hours. Fall.

Home Economics 23 A, B, C. Variation of standard recipes. Uncommon cookery, preservation of foods. Household management problems. Labor saving devices. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 17 or its equivalent. Credit 6 quarter hours. Autumn, Winter, Spring.

Home Economics 24 A, B, C. Construction and remodeling of silk and woolen garment. Textile study. Selection, remodeling construction of hats. Elective any college year for students not taking Home Economics course. Prerequisite: Home Economics 18 or its equivalent. Credit 6 quarter hours. Autumn, Winter, Spring.

Home Economics 25. Preservation and storage of fruit, vegetable, meats, eggs, etc. Study of marketing conditions and prices in relation to supply and demand. Food preparation. Prerequisite: Home Economics 21 or its equivalent. Credit 4 term hours. Spring.

Home Economics 28. The clothing budget. Shopping problems. Textile study including the economics and industrial situation in clothing production. Making a silk dress, remodeling or making wool dress or tailored suit. Prerequisite: Home Economics 22, Art 21. Credit 4 quarter hours. Autumn.

Home Economics 30. Purchasing and care of household equipment. Study of labor saving devices. Care of the house. Credit 2 quarter hours. Autumn, Spring.

Home Economics 31. Textile Chemistry. Prerequisite: Chemistry 11 or 12. Credit 2 quarter hours. Spring.

Home Economics 32 A, B. House planning, furnishing. Remodeling houses, refreshing furniture. Prerequisite: Home Economics 28, Art 21 or its equivalent. Credit 8 quarter hours. Winter, Spring.

Home Economics 33. Nutrition, metabolic processes of the body. relation of food to digestion and needs of the body. Dietaries and food problems of average girl and family. Prerequisite: Home Economics 25. Credit 4 quarter hours. Winter.

Home Economics 35. Planning, repairing, serving meals. Uncommonways of cookery. Prerequisite: Home Economics 33 or its equivalent. Credit 4 quarter hours.

Home Economics 36 A, B. Special methods for teaching Home Economics. Courses of study, methods of instruction, equipment, text and reference books. Supervised observation. Administrative problems of the teacher. Credit 8 quarter hours. Autumn, Winter.

Home Economics 37. Abnormal diet. Feeding the sick. Prerequisite: Home Economics 33. Credit 2 quarter hours. Spring.

Home Economics 38. Dressmaking. Making of a tailored dress or suit and afternoon dress of silk. Prerequisite: Home Economics 28. Credit 4 quarter hours. Winter.

Home Economics 39. Literature on Home Economics.

Home Economics 40. Student demonstrations in all phases of Home Economics. Prerequisite: Home Economics 25, 28. Credit 2 quarter hours. Autumn.

Home Economics 41. Institutional food problems. Prerequisite: Home Economics 33. Credit 2 quarter hours. Winter.

Home Economics 42. Millinery. Prerequisite Art 21, Home Economics 38. Credit 2 quarter hours. Spring.

Home Economics 44. The management of a home. Financial and labor problems. Class discussion four hours a week one quarter and twelve weeks' residence in the practice home. Open to fourth year Home Economics students. Credit 6 quarter hours. Autumn, Winter, Spring.

Home Economics 45. Child welfare. Prerequisite: Home Economics 33. Credit 4 quarter hours.

Home Economics 46 A. B. Supervised teaching including at least seventy two hours of supervised observation and teaching. Credit 8 quarter hours. Autumn, Winter, Spring.

Home Economics 47. Home care of the sick. Credit 4 quarter hours.

Home Economics 48. Extension work in child welfare and rural sociology. Credit 2 quarter hours.

REGULATIONS GOVERNING TEACHER TRAINING COURSE IN VOCATIONAL HOME ECONOMICS

Electives. Electives are to be chosen by the advice of the Director of Home Economics. Electives may be used as prerequisites.

One course in Home Economics must be elected in whatever line the student is weakest. Home economics electives shall not exceed fifty per cent.

One course in science, or art must be elected. Science and art electives shall not exceed fifty per cent.

One academic course must be elected. Academic subject electives shall not exceed fifty per cent.

No college credit can be given on this course for work pursued in high school.

No student shall enter the third year of the teacher training course in vocational home economics until her previous work and general ability have been passed upon by a committee of three and it is agreed that she will make a good Home Economics teacher. This committee shall consist of the President of this institution, the Director of Home Economics, and the State Supervisor of Home Economics.

A home project covering at least six weeks and of an intensive nature shall be pursued during the summer vacation at the end of the second year, if the student enters in the teacher training course. The nature of this project is to be determined after consultation with the Director. It is to be based upon the Home Economics work studied previously.

A home project covering at least six weeks in home management, which shall include the entire management of a home for this period, shall be pursued during the summer at the end of the third year.

Since these projects are to be pursued by all teachers in vocational teacher training, they will be supervised by this College and the State Board of Education.

LIBRARY MANAGEMENT

MISS TABER

11. An elementary course for teacher-librarians or others conducting small county book stations. It includes instruction in simple charging systems, care and repair of books, ordering and selection of books, especially children's books, and the use of the most common reference books. This course is not for those planning to take up library work as a profession. It is designed to meet the rapid increase of school libraries under the new county library law and the need of teachers to handle small school libraries. Credit 4 quarter hours. Winter.

MATHEMATICS

MISS STALLWORTH

MISS WOOD

Mathematics 11. Trigonometry. Credit 5 quarter hours. Autumn and Summer.

Mathematics 12. College Algebra. Credit 5 quarter hours. Winter and Summer.

Mathematics 21.—Analytic Geometry. Credit 4 quarter hours. Autumn.

Mathematics 22. Analytic Geometry. Prerequisite Mathematics 21. Credit 4 quarter hours. Winter.

Mathematics 23. A course open to students who expect to teach in junior and senior high schools. Prerequisite Mathematics 11 and 12 for junior high schools and 21 for senior high schools. Credit 4 quarter hours. Autumn. (Not given in 1922-23.)

Mathematics 31. Differential Calculus. Credit 5 quarter hours. Spring.

Mathematics 32. Integral Calculus. Prerequisite Mathematics 31. Credit quarter hours. Autumn.

Mathematics 41. Theory of Equations. Credit 5 quarter hours. Spring.

MODERN LANGUAGES

MADAME BARROSSE

French 11 A. Elementary French for college students. The standard beginning course, with grammar, composition, and class reading, of about 200 pages of ordinary French prose. Credit 4 quarter hours. Winter.

French 11 B. Elementary French. Second half. A continuation of French 11 A. Credit 4 quarter hours. Spring.

French 21 A. Intermediate French. The standard second year course with a review of grammar, some use of French in class, advanced composition and class and collateral reading of about 300 pages of modern French prose. Prerequisite: French 11 or its equivalent. Credit 4 quarter hours. Autumn.

French 21 B. Intermediate French. Second half. A continuation of French 21 A. Credit 4 quarter hours. Winter.

French 31 A. Advanced French. Introduction to the history of French literature, themes based on the reading and careful study of the more difficult modern texts. Conducted in French as far as possible. Prerequisite French 21 or its equivalent. Credit 4 quarter hours. Autumn.

French 31 B. Advanced French. Second half. A continuation of French 31 A. Credit 4 quarter hours. Winter.

Spanish 21 A. Elementary Spanish. Aims to give a reading knowledge of Spanish, with the elements of grammar, simple conversation, and correct pronunciation. Credit 4 quarter hours. Winter.

Spanish 21 B. Elementary Spanish. Second half. A continuation of Spanish 21 A. Credit 4 quarter hours. Spring.

Spanish 31 A. An advanced course, consisting of a rapid review of grammar, advanced work in syntax, the writing of short essays and reading of typical works by modern authors. Conducted in Spanish as far as practicable. Prerequisite: Spanish 21 or its equivalent. Credit 4 quarter hours. Autumn.

Spanish 31 B. Advanced course. Second half. A continuation of Spanish 31 A. Credit 4 quarter hours. Spring.

MUSIC DEPARTMENT

MRS. BURR NABORS

MRS. CLARA BROWNING EVANS

MISS ELIZABETH YOUNG

MRS. LUELLE GIBSON JOINER

MRS. MABEL POWERS TAYLOR

MISS RUTH GARDNER STANTON

MISS CLARA DEVANE

MISS NELL MURPHREE

Piano 11 A, B, C, Violin or Voice. Includes private lessons, sight reading, technic, ear training, harmony and music appre-

ciation. Autumn, Winter and Spring. Credit 18 hours.

Piano 21 A, B, C, Violin or Voice. Private lessons, sight reading, technic, ear training, harmony and music appreciation. Autumn, Winter and Spring. Credit 18 hours.

Piano 31 A, B, C, or Violin, or Voice. Private lessons, accompanying ensemble, technic, advanced harmony, form analysis. Autumn, Winter and Spring. Credit 18 hours.

Piano 41 A, B, C, or Violin 41, or Voice 41. Private lessons, accompanying ensemble, technic, counterpoint composition, interpretation. Autumn, winter and spring. Credit 18 hours.

Public School Music 27 A, B, C. Sight Singing, methods and materials. Autumn, Winter and Spring. Credit 6 hours. Required of all students applying for special certificates to teach Piano.

Public School Music 37 A, B, C. Sight singing, methods and materials. Autumn, Winter and Spring. Credit 6 hours. Required of all students applying for special certificate to teach Piano.

Public School Music 47 A, B, C. Practice teaching. Repeated each quarter. Credit 3 hours. Required of all students applying for special certificate to teach Piano.

Piano 18 A, B, C. Piano lessons and theory. Autumn, Winter and Spring. Credit 6 hours.

Piano 28 A, B, C. Piano lessons and theory. Autumn, Winter and Spring. Credit 6 hours.

Piano 38 A, B, C. Piano lessons and harmony. Autumn, winter and spring. Credit 6 hours.

Piano 48 A, B, C. Piano lessons and harmony. Autumn, winter and spring. Credit 6 hours.

NOTE.—No credit will be given for Piano 18, 28, 38 or 48 in the music department. General college credit, 6 hours each year will be given.

All students of the college music course are required to take two private lessons a week.

Students of Voice, Violin, Pipe Organ are required to take one private piano lesson a week for two years. If, however, and student has had previous lessons in Piano she may be excused from further duty of the same by permission of the Director of Music.

In addition to the required major course chosen, the student may take an additional private lesson in some other subject such as Violin, Voice or Pipe Organ, upon payment of the extra tuition and upon receiving permission from the Dean and the Director of Music. This course is called the Second Music Course.

The Non-Credit Course is a course in Piano or any other music subject without class instruction. Such a course will not be credited in any way toward a certificate or diploma. A Student in the General Teacher Training Course will not be permitted to take it, but is advised to take the Short Course in Music instead. Any student not doing the quality of work demanded by the teacher will be requested to discontinue this study.

Glee Club.—Membership in the Glee Club is open to all students. Any student with a good voice who enjoys singing is invited to become a member.

Orchestra.—The orchestra is composed of students of college music rank. Any student, however, may become a member if the director considers her sufficiently proficient on her instrument.

Concerts.—One or more concerts are given by the Glee Club and Orchestra each year. At least once a month a recital is given by a member of the music faculty or by a visiting artist.

Recitals.—Weekly recitals are given by the students to which the public is invited.

A half hour period of singing will be given to all students twice a week.

Practice Periods.—For every student taking major music a piano is reserved for one hour every school day without extra charge.

Every student is required to have a metronome.

PHYSICAL EDUCATION.

Miss Funk

Miss Putnam

Physical Education 11 A, B, C. Corrective exercise, free standing exercise, light and heavy apparatus work, military marching, folk dances, games, and practical talks on personal hygiene. 2 hours, three quarters. Credit 3 quarter hours.

Physical Education 12. Personal health. 2 hours. Credit 2 quarter hours. Autumn.

Physical Education 13. School and community health. 2 hours. Credit 2 quarter hours. Winter.

Physical Education 21. A, B, C continuation of 11. 2 hours, three quarters. Credit 3 quarter hours.

Physical Education 23 A, B, C. A condensed course for teachers. The program published by the State Department of Education is used as a basis. 3 hours, three quarters. Credit 6 quarter hours.

Physical Education 32 A, B, C. Aesthetic and folk dancing. 2 hours, three quarters. Credit 3 quarter hours.

Physical Education 34 A, B, C. Swedish gymnastics, heavy apparatus work, military marching. 2 hours three quarters. Credit three quarter hours.

Physical Education 35 A, B, C. Exercise with light apparatus, calisthenics, games. 2 hours, three quarters. Credit quarter hours.

Physical Education 38. Problems of school and community health. 4 hours. Credit 4 quarter hours. Spring.

Physical Education 40. Playground administration. History of the playground movement, theories of play, age and sex differences of play, practical conduct of play. 4 hours. Credit 4 quarter hours. Winter.

Physical Education 41. Physical diagnosis and corrective exercise. 4 hours. Credit 4 quarter hours.

Physical Education 42 A, B, C. Aesthetic dancing. 2 hours, three quarters. Credit 3 quarter hours.

Physical Education 44 A, B, C. Continuation of 34. 2 hours, 3 quarters. Credit 3 quarter hours.

Physical Education 47 A. General Kinesiology. Mechanics of exercise, supplied anatomy, applied physiology. 4 hours. Credit 4 quarter hours.

Physical Education 47 B. Continuation of 47 A. 4 hours. Credit 4 quarter hours.

Physical Education 47 C. Theory of Swedish gymnastics. 4 hours. Credit 4 quarter hours.

Physical Education 49 A, B, C. Swimming, folk dancing, Coaching of organized games. 2 hours, three quarters. Credit 3 quarter hours.

NOTE.—If for any reason a student is unable to do the required work in this department, an equivalent may be substituted with the approval of the Instruction Committee. A student wishing to be excused from gymnasium work must present a written statement from her family physician giving in detail reasons why such excuse is necessary. This statement must be approved by the resident physician.

Students in this department will need a gymnasium suit, consisting of dark bloomers, white middie blouse, and tennis or ballet shoes. These suits must be sufficiently large to allow perfect freedom of movement.

PSYCHOLOGY.

Miss Brooke

Miss Baker

Psychology 11. Elementary psychology. Required in two-year course. Credit 4 quarter hours. Winter.

Psychology 21. General psychology. Prerequisite to all courses in education numbered above 30. Autumn quarter.

Psychology 41. Social Psychology.

SOCIOLOGY.

Miss Brooke

Miss Paschal

Sociology 11. Social problems of Alabama, child welfare, recreation, state agencies and organizations. Required in teacher training courses except Home Economics. Autumn.

Sociology 21. General Introductory Course. Credit 4 quarter hours. Winter.

Sociology 22. Social Ethics. Credit 4 quarter hours. Winter.

Sociology 23, 24, 25. Community activities. Elective in two-year course. Credit 2 quarter hours each quarter. Autumn, winter, spring.

Sociology 36. Community cooperation. Repeated each term. Credit 1 quarter hour. Autumn, Winter, Spring.

Sociology 41. The Family: History, relation to industry; the farm women and children. Required of all Vocational Home Economics students. Credit 4 quarter hours. Winter.

THE HIGH SCHOOL

ADMISSION TO THE HIGH SCHOOL.

For the session of 1922-23 only the third and fourth years of high school are offered to dormitory students. For admission to the third year, the applicant must have completed satisfactorily the first and second years of high school work, or the eighth and ninth grades of the Alabama public schools or their equivalent. The satisfactory completion of the first, second, and third years of high school will admit to the next higher, or fourth year high school class.

An applicant for admission must be of good moral character, and of sound physical health. If it is found after one is admitted that her health is such that her presence may be detrimental to the health of the other students, or if she cannot do satisfactory work in her classes, she will be required to withdraw.

Blank forms for application for admission, for health certificate, and for statement of preparatory work will be furnished on request. These must be filled out and sent with the advance fee of \$2.50 to the president of the college before room space can be reserved in the dormitory. The completion of two years of high school work is necessary for admission to the third year high school, which is the lowest class.

METHODS OF ADMISSION.

1. By examination: An applicant without certificate from an approved high school should be able to pass entrance examinations for the class she wishes to enter.

Entrance examinations will begin at 8:00 o'clock Tuesday morning, September 5, and continue throughout the day. At the same time, former students and new students with approved certificates will be enrolled and classified. All students should arrive as early as possible on Monday, September 4, in order to secure their rooms and be ready for classification or examination on Tuesday morning, thus saving themselves much personal inconvenience.

2. By certificate from affiliated or approved schools: The certificate must include a copy of the student's record, both in studies and deportment, signed by the principal of the school. This record should be given on the college blanks which will be furnished on application.

ENTRANCE REQUIREMENTS.

A. An applicant for admission to the third year of high school must present 7 units of high school work. (A unit represents 4 or 5 class periods of 40 to 60 minutes each of 36 to 40 weeks.)

PRESCRIBED SUBJECTS.

Algebra	1
English	2

The remaining units may be selected from subjects ordinarily accepted for college entrance.

B. An applicant for admission to the fourth year of high school must present 11 units of high school work.

PRESCRIBED SUBJECTS.

English	3 units
History	1 unit
Algebra	1 unit

The remaining units may be selected from the subjects ordinarily accepted for college entrance.

PHYSICAL TRAINING REQUIRED.

Every student is required to take physical education unless excused by the physician. If a student is excused from gymnasium work, she must substitute for this omission its equivalent in another department.

HIGH SCHOOL CERTIFICATES.

Students wishing to secure a high school diploma may do so by completing in a satisfactory manner sixteen units of high school work, exclusive of physical education.

HIGH SCHOOL PROGRAM OF STUDIES.

While the dormitory students are permitted to take only the third and fourth years of high school work, the outline of studies for the four years course in the Montevallo high school is presented.

First Year

Required:	Units
English, Composition and Literature 1	1
General Science 1	1
Algebra 1	1
Physical Education 1	$\frac{1}{4}$
Elective:	
Vocational Civics (first semester) 1 A $\frac{1}{2}$	
Community Civics (second semester) 1 B $\frac{1}{2}$	1
Home Economics 1	1

Latin 1	1
Manual Arts 1	$\frac{1}{2}$ or 1
Music 1	$\frac{1}{2}$ or 1

Second Year

Required:	Units
English 2, Composition and Literature	1
Health Work (girls) 2, or Occupational Study (boys) 2	1
Physical Education 2	$\frac{1}{4}$
Electives:	
Biology 2	1
Early European History 2	1
French 2	1
Home Economics 2	1
Latin 2	1
Manual Arts 2	$\frac{1}{2}$ or 1
Music 2	$\frac{1}{2}$ or 1
Plane Geometry	1

Third Year

Required:	Units
English 3	1
Modern European History and Current History 3	1
Physical Education 3	$\frac{1}{4}$
Electives:	
Art 3	$\frac{1}{4}$
Business Arithmetic 3 (first semester) $\frac{1}{2}$; Bookkeeping 3 second semester $\frac{1}{2}$	1
Commercial Geography 3 (first semester) $\frac{1}{2}$; Business Law 3 (second semester) $\frac{1}{2}$	1
French 3	1
Plane Geometry 3	1
Home Economics 3	1
Latin 3	1
Music 3	1
Physics 3	1

Fourth Year

Required:	Units
English 4	1
American History 4 (first semester); American Gov- ernment 4 (second semester), and Current History	1
Physical Education 4	$\frac{1}{4}$
Electives:	
Art 4	$\frac{1}{4}$
Solid Geometry 4 (first semester) $\frac{1}{2}$; Algebra 4 sec- ond semester) $\frac{1}{2}$	1

Business Arithmetic 4 (first semester) $\frac{1}{2}$; Bookkeeping 4 (second semester) $\frac{1}{2}$	1
Chemistry 4	1
Elementary Economics 4 (first semester) $\frac{1}{2}$; Modern Social Problems (second semester) $\frac{1}{2}$	1
French 4	1
Home Economics 4	1
Latin 4	1
Music 4	1
Typewriting 4	$\frac{1}{2}$

COMMERCIAL COURSE.

Third Year	Units
English	1
History	1
Shorthand 3 or Bookkeeping 3	$\frac{1}{2}$
Business Arithmetic 3 or Business Law 3	$\frac{1}{2}$

	4 $\frac{3}{4}$

Department Announcements

FOR THIRD AND FOURTH YEARS

ART.

Art 3. Principles of design applied in basketry, painting, simple book-making, stenciling, lettering. 2 hours. Credit $\frac{1}{4}$ unit.

Art 4. Continuation of course 3. Application of the principles in more advanced problems. 2 hours. Credit $\frac{1}{4}$ unit.

BIOLOGY.

Biology 2. Elementary Biology. Two recitations and two 2-hour laboratory periods per week. Credit 1 unit.

BOOKKEEPING AND STENOGRAPHY.

Stenography 3. The principles of Graham's Advanced Phonography are taught. Easy dictation at a maximum of sixty-five words a minute is given. Credit $\frac{1}{2}$ unit.

Typewriting 3. The touch system of typewriting is used. The position of letters and characters of the keyboard is taught. Words and sentences are practiced, letters copied, and envelopes addressed. Credit $\frac{1}{2}$ unit.

Stenography 4. The students are given dictation consisting of letters, law forms, magazine articles, etc. All notes are transcribed. To complete the course the students must pass an examination at one hundred words a minute, new matter. Six weeks of office work is required. Credit $\frac{1}{2}$ unit.

Typewriting 4. Practice on typewriter continued. Manifold, mimeographing, and filing of letters are taught. A speed of sixty words a minute from dictation is required. Practical work which embraces the duties that devolve upon a private secretary and the arrangement of letters, enclosures, forms of remittances, filing systems, etc., is given in connection with this course. Credit $\frac{1}{2}$ unit.

Bookkeeping 3 and 4. After the theory of bookkeeping is understood, the students are required to keep books for commission, grocery, dry goods, and manufacturing firms, with all vouchers and papers prepared for them.

Typewriting course for bookkeeping 3 and 4 is the same as that required of shorthand 3 and 4 students. Credit $\frac{1}{2}$ unit.

CHEMISTRY AND PHYSICS.

Chemistry 4. General Inorganic Chemistry. Experimental lectures on the elements and their compounds, supplemented by laboratory work. This course is designed for beginners,

and is a prerequisite for all later courses in chemistry with the exception of Chemistry 11. Three lecture periods and one 2-hour laboratory period per week. 4 hours. Credit 1 unit.

Physics 3. General Physics. A general course in Physics including experimental lectures, supplemented by written recitations. This course is designed especially for those students who have never studied physics before. Three lectures and one 2-hour laboratory period per week. 4 hours. Credit 1 unit.

ENGLISH.

Every course in the English Department includes three hours of instruction in the use of the library. This is given by the librarian near the opening of the session.

English 3. Composition and literature. Credit 1 unit.

English 4. Composition and literature. Credit 1 hour.

HISTORY.

History 3. A history of Europe from the seventeenth century to the present time. Credit 1 unit.

History 4. American History and Government. Credit 1 unit.

HOME ECONOMICS.

Simple white wash dresses and aprons will be required for laboratory use in all food classes. For aprons "The Ladies Home Journal" pattern No. 2577 or a similar design is suggested.

Home Economics 1. A beginning course in selection, preparation, serving of foods, and nutrition, selection, construction and care of clothing; planning, furnishing, and care of the house. Four double periods a week. Open to eights and ninth grade girls. Credit 1 unit.

Home Economics 2. Similar course for tenth and eleventh grade pupils with no previous training. Credit 1 unit.

Home Economics 3 or 4. A course based on some previous work in Home Economics. The work is more advanced with particular emphasis given to nutrition and the clothing budget. Four double periods a week. Open to tenth and eleventh grade pupils who have had some previous training in home economics. Credit 1 unit.

LATIN.

Latin 1. Essentials of Latin for Beginners. Credit 1 unit.

Latin 2. Caesar, with prose Composition. Credit 1 unit.

Latin 3. Cicero's Orations. Credit 1 unit.

Latin 4. Virgil. Credit 1 unit.

(Latin 2, 3, and 4 not offered during the session 1922-23.)

MATHEMATICS.

Algebra 4. Quadratics and beyond. Credit $\frac{1}{2}$ unit.

Plane Geometry 3. Four hours. Text: Wentworth-Smith. Credit 1 unit.

Solid Geometry 4. 2 hours. Text: Wentworth-Smith. Credit $\frac{1}{2}$ unit.

Practical Arithmetic 3 or 4. 2 hours. Credit $\frac{1}{2}$ unit.

MODERN LANGUAGES.

French 3. Elementary French, including the essentials of grammar, pronunciation, translation, and reading. Credit 1 unit.

French 4. Credit 1 unit.

MUSIC.

Music 1. Appreciation of music. Credit $\frac{1}{4}$ unit.

Music 2. Music Appreciation. Credit $\frac{1}{4}$ unit.

The following is the course of study outlined for a high school pupil selecting piano, voice, or violin. No previous preparation is required for course 3, and due credit will be given to all students who have previously studied music, the amount of credit depending upon their general musical knowledge, training, and technical proficiency.

<i>Music</i> 3	Units
Piano 3, voice 3, or violin 3	2
Theory 3	$\frac{1}{2}$
Music Appreciation 3	$\frac{1}{2}$
Sight Reading 3	$\frac{1}{2}$
Technic 3	$\frac{1}{4}$
Ear Training 3	$\frac{1}{4}$
	<hr/>
	4

Credit 1 unit.

<i>Music</i> 4	Units
Piano 4, voice 4, or violin 4	2
Theory 4.	$\frac{1}{2}$
Music Appreciation 4	$\frac{1}{2}$
Sight Reading 4	$\frac{1}{2}$
Technic 4	$\frac{1}{4}$
Ear Training 4	$\frac{1}{4}$
	<hr/>
	4

Credit 1 unit.

PHYSICAL EDUCATION.

Physical Education 3. Corrective exercises, free standing exercises, light and heavy apparatus work, military marching, folk dances and games, and practical talks on personal hygiene. 2 hours. Credit $\frac{1}{4}$ unit.

Physical Education 4. A continuation of 3. 2 hours. Credit $\frac{1}{4}$ unit.

If for any reason the student is unable to do gymnasium work, an equivalent may be substituted with the approval of the principal. A student wishing to be excused from gymnasium work must present a written statement from her family physician giving in detail why such an excuse is necessary. This statement must be approved by the resident physician.

Students in this department are required to have a gymnasium suit, consisting of dark bloomers, white middie blouse, and tennis or ballet shoes. These suits must be sufficiently large to allow perfect freedom of movement.

NOTE.—Credit is given in no department for $\frac{1}{4}$ unit only. At least $\frac{1}{2}$ unit must be taken to command credit toward graduation.

CHARGES FOR ATTENDING HIGH SCHOOL.

Girls boarding in the dormitory pay for room, board, and laundry, and fees (general, departmental, music and expression) the same as college students. Girls of the third and fourth years of high school, not boarding in the dormitory, do not pay for room, board and laundry, or for medical and medicine fee, but must pay other fees on the first day of each term.

Charges for other students in the high school or grammar grades may be obtained from the secretary of the Board of Education of the Montevallo Public School.

Graduating Class

1921-1922

Arranged by Courses.

The following students have completed the prescribed academic and technical work required for graduation:

BACHELOR OF SCIENCE IN VOCATIONAL HOME ECONOMICS

John William Pridgen

THREE YEAR COLLEGE COURSE

Celestia Jolly Allison	Gladys Moore McLeod
Eloise Andrews	Lillian Mahone
Edith Rebecca Averyt	Lola Meriwether
Etta Laverne Brown	Sara Martha Newman
Lossie Dabbs	Mary Nelson Oliver
Anne Ruth DeRamus	Bessie Cushman Padgett
Mary Dixon Easterly	Lula Mae Parsons
Myra Virginia Edwards	Addie Orlean Randle
Birdie Foote	Ruth Sanford
Kittie Alberta Gambill	Dorothy Schmidt
Elma Elizabeth Griffith	Evelyn Scott
Edna Marie Hagood	Helen Carol Smith
Louise Hinton	Mary Elizabeth Smith
Annie Paralee Hughes	Willie Grace Stewart
Annie Lou Jones	Mattie Belle Stone
Mary Elizabeth Keller	Erma Lois Waldrop
Gladys Alicene Ketcham	Volena Whaley
Nena McDuffie	Virginia Williamson

TWO YEAR COLLEGE COURSE

Mary Julia Apperson	Jimmie Payne
Lillie Burkes	Beuna Vista Phillips
Bessie Cleveland	Mabel Claire Phillips
Martha Davis	Lottie Virginia Reed
Annie Lou Day	Annie Laurie Robertson
Abbie Kathleen Dismukes	Dorothy Oslin Ross
Sara Christine Dodson	Lucile Russell
Marie Eppes	Mignon Kathryn Singleton
Louise Faust	Georgie Glover Spurlin
Mary Glenn	Gladys Henry Sturkie

Addie Cynthia Goolsbee	Edna Imogene Thompson
Agnes Johnson	Maggie Dell Tucker
Addie Pearl Lee	Sarah Effie Vines
Alston Lide	Julia Etta Vines
Marguerite M. McGhee	Erma Whitworth
Antoinette Jane Orr	Mel Williams
Wilma Patterson	

CLASS OF 1922

Arranged Alphabetically

Allison, Celestia Jolly	Gainesville
Andrews, Eloise	Floral
Apperson, Mary Julia	Eclectic
Averyt, Edith Rebecca	Columbiana
Brown, Etta Laverne	Kellyton
Burkes, Lillie	Wadley
Dabbs, Lossie	Route 1, Bessemer
Davis, Martha	Shelby
Day, Annie Lou	Thomaston
DeRamus, Anne Ruth	Verbena
Dismukes, Abbie Kathleen	Prattville
Dodson, Sara Christine	Fayette
Easterly, Mary Dixon	Hayneville
Edwards, Myra Virginia	Enterprise
Eppes, Marie	Demopolis
